It's with great disappointment that we have to announce that the 2020 Adirondack Nationals Car show is canceled this year. Due to the Covid-19 situation and its impact on the public's health and wellbeing, we had made the incredibly difficult decision to cancel the 2020 Adirondack Nationals Car Show. It's always been our first priority to our car show participants, guests, volunteers and members to have their safety and wellbeing first.

We understand the impact of the Adirondack National car show being canceled. We would not be able to follow the current guidelines from the CDC and other agencies in order to have a safe show. We will continue to plan for next year's car show being held on September 9-12 2021.

We will be transferring over this year's registrations to secure your spot for 2021! We ask that if you are in need of a refund and do not want to hold your spot for next year that you please send us a self-addressed stamp envelope to:

Albany Rods & Kustoms Inc.

Attn: Registration P.O. Box 14054 Albany, NY 12212
(along with your registration packet.)

For those registered car show participants who will be holding their secured spot, you do not need to do anything! In March of 2021 you will receive your updated registration packet in the mail. We look forward to seeing everyone in 2021!!
